

Solicitation for Employment

DDS ENGINEERING, PLLC is seeking to fill the following position:

LAND SURVEYING PARTY CHIEF

RESPONSIBILITIES will include working with fellow crew members to effectively and efficiently complete land surveying activities such as boundary and topographic surveys, as well as construction activities (i.e., layout staking, etc.).

REQUIRED skills include previous surveying experience, preferably as a Party Chief, a thorough understanding of local surveying practices and statutes and a thorough understanding of GPS & robotic total stations. Applicant must be willing to travel occasionally, primarily in Kentucky and Tennessee.

LICENSED applicants, if applicable, must be in good standing with all states currently licensed. Ability to obtain Kentucky and Tennessee licensure is a plus.

RELEVANT experience with land surveying practices and equipment a must.

BENEFITS include, based upon eligibility:

- Competitive pay,
- Retirement plan with matching,
- Employer sponsored health insurance,
- Paid holidays and time off,
- Numerous opportunities for additional training and advancements possible.

Qualified applicants may submit their resumes via the following options:
